

DISCLOSURE REGARDING REAL ESTATE AGENCY RELATIONSHIPS

(As required by the Civil Code) (C.A.R. Form AD, Revised 4/06)

When you enter into a discussion with a real estate agent regarding a real estate transaction, you should from the outset understand what type of agency relationship or representation you wish to have with the agent in the transaction.

SELLER'S AGENT

A Seller's agent under a listing agreement with the Seller acts as the agent for the Seller only. A Seller's agent or a subagent of that agent has the following affirmative obligations:

To the Seller:

A Fiduciary duty of utmost care, integrity, honesty and loyalty in dealings with the Seller.

To the Buyer and the Seller:

- (a) Diligent exercise of reasonable skill and care in performance of the agent's duties.
(b) A duty of honest and fair dealing and good faith.
(c) A duty to disclose all facts known to the agent materially affecting the value or desirability of the property that are not known to, or within the diligent attention and observation of, the parties.

An agent is not obligated to reveal to either party any confidential information obtained from the other party that does not involve the affirmative duties set forth above.

BUYER'S AGENT

A selling agent can, with a Buyer's consent, agree to act as agent for the Buyer only. In these situations, the agent is not the Seller's agent, even if by agreement the agent may receive compensation for services rendered, either in full or in part from the Seller. An agent acting only for a Buyer has the following affirmative obligations:

To the Buyer:

A fiduciary duty of utmost care, integrity, honesty and loyalty in dealings with the Buyer.

To the Buyer and the Seller:

- (a) Diligent exercise of reasonable skill and care in performance of the agent's duties.
(b) A duty of honest and fair dealing and good faith.
(c) A duty to disclose all facts known to the agent materially affecting the value or desirability of the property that are not known to, or within the diligent attention and observation of, the parties.

An agent is not obligated to reveal to either party any confidential information obtained from the other party that does not involve the affirmative duties set forth above.

AGENT REPRESENTING BOTH SELLER AND BUYER

A real estate agent, either acting directly or through one or more associate licensees, can legally be the agent of both the Seller and the Buyer in a transaction, but only with the knowledge and consent of both the Seller and the Buyer.

In a dual agency situation, the agent has the following affirmative obligations to both the Seller and the Buyer:

- (a) A fiduciary duty of utmost care, integrity, honesty and loyalty in the dealings with either the Seller or the Buyer.
(b) Other duties to the Seller and the Buyer as stated above in their respective sections.

In representing both Seller and Buyer, the agent may not, without the express permission of the respective party, disclose to the other party that the Seller will accept a price less than the listing price or that the Buyer will pay a price greater than the price offered.

The above duties of the agent in a real estate transaction do not relieve a Seller or Buyer from the responsibility to protect his or her own interests. You should carefully read all agreements to assure that they adequately express your understanding of the transaction. A real estate agent is a person qualified to advise about real estate. If legal or tax advice is desired, consult a competent professional.

Throughout your real property transaction you may receive more than one disclosure form, depending upon the number of agents assisting in the transaction. The law requires each agent with whom you have more than a casual relationship to present you with this disclosure form. You should read its contents each time it is presented to you, considering the relationship between you and the real estate agent in your specific transaction.

This disclosure form includes the provisions of Sections 2079.13 to 2079.24, inclusive, of the Civil Code set forth on page 2. Read it carefully. I/WE ACKNOWLEDGE RECEIPT OF A COPY OF THIS DISCLOSURE AND THE PORTIONS OF THE CIVIL CODE PRINTED ON THE BACK (OR A SEPARATE PAGE).

CIVIL CODE SECTIONS 2079.13 THROUGH 2079.24 (2079.16 APPEARS ON THE FRONT)

2079.13 As used in Sections 2079.14 to 2079.24, inclusive, the following terms have the following meanings:

(a) "Agent" means a person acting under provisions of title 9 (commencing with Section 2295) in a real property transaction, and includes a person who is licensed as a real estate broker under Chapter 3 (commencing with Section 10130) of Part 1 of Division 4 of the Business and Professions Code, and under whose license a listing is executed or an offer to purchase is obtained. (b) "Associate licensee" means a person who is licensed as a real estate broker or salesperson under Chapter 3 (commencing with Section 10130) of Part 1 of Division 4 of the Business and Professions Code and who is either licensed under a broker or has entered into a written contract with a broker to act as the broker's agent in connection with acts requiring a real estate license and to function under the broker's supervision in the capacity of an associate licensee. The agent in the real property transaction bears responsibility for his or her associate licensees who perform as agents of the agent. When an associate licensee owes a duty to any principal, or to any buyer or seller who is not a principal, in a real property transaction, that duty is equivalent to the duty owed to that party by the broker for whom the associate licensee functions. (c) "Buyer" means a transferee in a real property transaction, and includes a person who executes an offer to purchase real property from a seller through an agent, or who seeks the services of an agent in more than a casual, transitory, or preliminary manner, with the object of entering into a real property transaction. "Buyer" includes vendee or lessee. (d) "Dual agent" means an agent acting, either directly or through an associate licensee, as agent for both the seller and the buyer in a real property transaction. (e) "Listing agreement" means a contract between an owner of real property and an agent, by which the agent has been authorized to sell the real property or to find or obtain a buyer. (f) "Listing agent" means a person who has obtained a listing of real property to act as an agent for compensation. (g) "Listing price" is the amount expressed in dollars specified in the listing for which the seller is willing to sell the real property through the listing agent. (h) "Offering price" is the amount expressed in dollars specified in an offer to purchase for which the buyer is willing to buy the real property. (i) "Offer to purchase" means a written contract executed by a buyer acting through a selling agent which becomes the contract for the sale of the real property upon acceptance by the seller. (j) "Real property" means any estate specified by subdivision (1) or (2) of Section 761 in property which constitutes or is improved with one to four dwelling units, any leasehold in this type of property exceeding one year's duration, and mobile homes, when offered for sale or sold through an agent pursuant to the authority contained in Section 10131.6 of the Business and Professions Code. (k) "Real property transaction" means a transaction for the sale of real property in which an agent is employed by one or more of the principals to act in that transaction, and includes a listing or an offer to purchase. (l) "Sell," "sale," or "sold" refers to a transaction for the transfer of real property from the seller to the buyer, and includes exchanges of real property between the seller and buyer, transactions for the creation of a real property sales contract within the meaning of Section 2985, and transactions for the creation of a leasehold exceeding one year's duration. (m) "Seller" means the transferor in a real property transaction, and includes an owner who lists real property with an agent, whether or not a transfer results, or who receives an offer to purchase real property of which he or she is the owner from an agent on behalf of another. "Seller" includes both a vendor and a lessor. (n) "Selling agent" means a listing agent who acts alone, or an agent who acts in cooperation with a listing agent, and who sells or finds and obtains a buyer for the real property, or an agent who locates property for a buyer or who finds a buyer for a property for which no listing exists and presents an offer to purchase to the seller. (o) "Subagent" means a person to whom an agent delegates agency powers as provided in Article 5 (commencing with Section 2349) of Chapter 1 of Title 9. However, "subagent" does not include an associate licensee who is acting under the supervision of an agent in a real property transaction.

2079.14 Listing agents and selling agents shall provide the seller and buyer in a real property transaction with a copy of the disclosure form specified in Section 2079.16, and, except as provided in subdivision (c), shall obtain a signed acknowledgement of receipt from that seller or buyer, except as provided in this section or Section 2079.15, as follows: (a) The listing agent, if any, shall provide the disclosure form to the seller prior to entering into the listing agreement. (b) The selling agent shall provide the disclosure form to the seller as soon as practicable prior to presenting the seller with an offer to purchase, unless the selling agent previously provided the seller with a copy of the disclosure form pursuant to subdivision (a). (c) Where the selling agent does not deal on a face-to-face basis with the seller, the disclosure form prepared by the selling agent may be furnished to the seller (and acknowledgement of receipt obtained from the selling agent from the seller) by the listing agent, or the selling agent may deliver the disclosure form by certified mail addressed to the seller at his or her last known address, in which case no signed acknowledgement of receipt is required. (d) The selling agent shall provide the disclosure form to the buyer as soon as practicable prior to execution of the buyer's offer to purchase, except that if the offer to purchase is not prepared by the selling agent, the selling agent shall present the disclosure form to the buyer not later than the next business day after the selling agent receives the offer to purchase from the buyer.

2079.15 In any circumstance in which the seller or buyer refuses to sign an acknowledgement of receipt pursuant to Section 2079.14, the agent, or an associate licensee acting for an agent, shall set forth, sign, and date a written declaration of the facts of the refusal.

2079.17 (a) As soon as practicable, the selling agent shall disclose to the buyer and seller whether the selling agent is acting in the real property transaction exclusively as the buyer's agent, exclusively as the seller's agent, or as a dual agent representing both the buyer and the seller. This relationship shall be confirmed in the contract to purchase and sell real property or in a separate writing executed or acknowledged by the seller, the buyer, and the selling agent prior to or coincident with execution of that contract by the buyer and the seller, respectively. (b) As soon as practicable, the listing agent shall disclose to the seller whether the listing agent is acting in the real property transaction exclusively as the seller's agent, or as a dual agent representing both the buyer and seller. This relationship shall be confirmed in the contract to purchase and sell real property or in a separate writing executed or acknowledged by the seller and the listing agent prior to or coincident with the execution of that contract by the seller.

(c) The confirmation required by subdivisions (a) and (b) shall be in the following form.

(DO NOT COMPLETE, SAMPLE ONLY) is the agent of (check one): the seller exclusively; or both the buyer and seller.
(Name of Listing Agent)

(DO NOT COMPLETE, SAMPLE ONLY) is the agent of (check one): the buyer exclusively; or the seller exclusively; or both the buyer and seller.
(Name of Selling Agent if not the same as the Listing Agent)

(d) The disclosures and confirmation required by this section shall be in addition to the disclosure required by Section 2079.14.

2079.18 No selling agent in a real property transaction may act as an agent for the buyer only, when the selling agent is also acting as the listing agent in the transaction.

2079.19 The payment of compensation or the obligation to pay compensation to an agent by the seller or buyer is not necessarily determinative of a particular agency relationship between an agent and the seller or buyer. A listing agent and a selling agent may agree to share any compensation or commission paid, or any right to any compensation or commission for which an obligation arises as the result of a real estate transaction, and the terms of any such agreement shall not necessarily be determinative of a particular relationship.

2079.20 Nothing in this article prevents an agent from selecting, as a condition of the agent's employment, a specific form of agency relationship not specifically prohibited by this article if the requirements of Section 2079.14 and Section 2079.17 are complied with.

2079.21 A dual agent shall not disclose to the buyer that the seller is willing to sell the property at a price less than the listing price, without the express written consent of the seller. A dual agent shall not disclose to the seller that the buyer is willing to pay a price greater than the offering price, without the express written consent of the buyer. This section does not alter in any way the duty or responsibility of a dual agent to any principal with respect to confidential information other than price.

2079.22 Nothing in this article precludes a listing agent from also being a selling agent, and the combination of these functions in one agent does not, of itself, make that agent a dual agent.

2079.23 A contract between the principal and agent may be modified or altered to change the agency relationship at any time before the performance of the act which is the object of the agency with the written consent of the parties to the agency relationship.

2079.24 Nothing in this article shall be construed to either diminish the duty of disclosure owed buyers and sellers by agents and their associate licensees, subagents, and employees or to relieve agents and their associate licensees, subagents, and employees from liability for their conduct in connection with acts governed by this article or for any breach of a fiduciary duty or a duty of disclosure.

5. **OWNERSHIP, TITLE AND AUTHORITY:** Seller warrants that: (i) Seller is the owner of the Property; (ii) no other persons or entities have title to the Property; and (iii) Seller has the authority to both execute this Agreement and sell the Property. Exceptions to ownership, title and authority are as follows: None
6. **MULTIPLE LISTING SERVICE:** All terms of the transaction, including financing, if applicable, will be provided to the selected MLS for publication, dissemination and use by persons and entities on terms approved by the MLS. Seller authorizes Broker to comply with all applicable MLS rules. MLS rules allow MLS data to be made available by the MLS to additional Internet sites unless Broker gives the MLS instructions to the contrary. MLS rules generally provide that residential real property and vacant lot listings be submitted to the MLS within 48 hours or some other period of time after all necessary signatures have been obtained on the listing agreement. However, Broker will not have to submit this listing to the MLS if, within that time, Broker submits to the MLS a form signed by Seller (C.A.R. Form SEL or the locally required form) instructing Broker to withhold the listing from the MLS. Information about this listing will be provided to the MLS of Broker's selection unless a form instructing Broker to withhold the listing from the MLS is attached to this listing Agreement.
7. **SELLER REPRESENTATIONS:** Seller represents that, unless otherwise specified in writing, Seller is unaware of: (i) any Notice of Default recorded against the Property; (ii) any delinquent amounts due under any loan secured by, or other obligation affecting, the Property; (iii) any bankruptcy, insolvency or similar proceeding affecting the Property; (iv) any litigation, arbitration, administrative action, government investigation or other pending or threatened action that affects or may affect the Property or Seller's ability to transfer it; and (v) any current, pending or proposed special assessments affecting the Property. Seller shall promptly notify Broker in writing if Seller becomes aware of any of these items during the Listing Period or any extension thereof.
8. **BROKER'S AND SELLER'S DUTIES:** Broker agrees to exercise reasonable effort and due diligence to achieve the purposes of this Agreement. Unless Seller gives Broker written instructions to the contrary, Broker is authorized to order reports and disclosures as appropriate or necessary and advertise and market the Property by any method and in any medium selected by Broker, including MLS and the Internet, and, to the extent permitted by these media, control the dissemination of the information submitted to any medium. Seller agrees to consider offers presented by Broker, and to act in good faith to accomplish the sale of the Property by, among other things, making the Property available for showing at reasonable times and referring to Broker all inquiries of any party interested in the Property. Seller is responsible for determining at what price to list and sell the Property. **Seller further agrees to indemnify, defend and hold Broker harmless from all claims, disputes, litigation, judgments and attorney fees arising from any incorrect information supplied by Seller, or from any material facts that Seller knows but fails to disclose.**
9. **DEPOSIT:** Broker is authorized to accept and hold on Seller's behalf any deposits to be applied toward the purchase price.
10. **AGENCY RELATIONSHIPS:**
 - A. **Disclosure:** If the Property includes residential property with one-to-four dwelling units, Seller shall receive a "Disclosure Regarding Agency Relationships" form prior to entering into this Agreement.
 - B. **Seller Representation:** Broker shall represent Seller in any resulting transaction, except as specified in paragraph 4F.
 - C. **Possible Dual Agency With Buyer:** Depending upon the circumstances, it may be necessary or appropriate for Broker to act as an agent for both Seller and buyer, exchange party, or one or more additional parties ("Buyer"). Broker shall, as soon as practicable, disclose to Seller any election to act as a dual agent representing both Seller and Buyer. If a Buyer is procured directly by Broker or an associate-licensee in Broker's firm, Seller hereby consents to Broker acting as a dual agent for Seller and such Buyer. In the event of an exchange, Seller hereby consents to Broker collecting compensation from additional parties for services rendered, provided there is disclosure to all parties of such agency and compensation. Seller understands and agrees that: (i) Broker, without the prior written consent of Seller, will not disclose to Buyer that Seller is willing to sell the Property at a price less than the listing price; (ii) Broker, without the prior written consent of Buyer, will not disclose to Seller that Buyer is willing to pay a price greater than the offered price; and (iii) except for (i) and (ii) above, a dual agent is obligated to disclose known facts materially affecting the value or desirability of the Property to both parties.
 - D. **Other Sellers:** Seller understands that Broker may have or obtain listings on other properties, and that potential buyers may consider, make offers on, or purchase through Broker, property the same as or similar to Seller's Property. Seller consents to Broker's representation of sellers and buyers of other properties before, during and after the end of this Agreement.
 - E. **Confirmation:** If the Property includes residential property with one-to-four dwelling units, Broker shall confirm the agency relationship described above, or as modified, in writing, prior to or concurrent with Seller's execution of a purchase agreement.
11. **SECURITY AND INSURANCE:** Broker is not responsible for loss of or damage to personal or real property, or person, whether attributable to use of a keysafe/lockbox, a showing of the Property, or otherwise. Seller agrees: (i) to take reasonable precautions to safeguard and protect valuables that might be accessible during showings of the Property; and (ii) to obtain insurance to protect against these risks. Broker does not maintain insurance to protect Seller.

Broker, cooperating brokers, MLS and Associations/Boards of REALTORS® are **not** insurers against injury, theft, loss, vandalism or damage attributed to the use of a keysafe/lockbox. Seller does (or if checked does not) authorize Broker to install a keysafe/lockbox. 14. **EQUAL HOUSING OPPORTUNITY:** The Property is offered in compliance with federal, state and local anti-discrimination laws.
15. **ATTORNEY FEES:** In any action, proceeding or arbitration between Seller and Broker regarding the obligation to pay compensation under this Agreement, the prevailing Seller or Broker shall be entitled to reasonable attorney fees and costs from the non-prevailing Seller or Broker, except as provided in paragraph 19A.

18. **SUCCESSORS AND ASSIGNS:** This Agreement shall be binding upon Seller and Seller's successors and assigns.

19. **DISPUTE RESOLUTION:**

Seller's Advisory (C.A.R. Form SA, Revised 10/01)

Property Address: _____ ("Property")

1. INTRODUCTION: Selling property in California is a process that involves many steps. From start to finish, it could take anywhere from a few weeks to many months, depending upon the condition of your Property, local market conditions and other factors. You have already taken an important first step by listing your Property for sale with a licensed real estate broker. Your broker will help guide you through the process and may refer you to other professionals as needed. This advisory addresses many things you may need to think about and do as you market your Property. Some of these things are requirements imposed upon you, either by law or the listing or sale contract. Others are simply practical matters that may arise during the process. Please read this document carefully and, if you have any questions, ask your broker for help.

2. DISCLOSURES:

A. General Disclosure Duties: You must affirmatively disclose to the buyer, in writing, any and all known facts that materially affect the value or desirability of your Property. You must disclose these facts whether or not asked about such matters by the buyer, any broker, or anyone else. This duty to disclose applies even if the buyer agrees to purchase your Property in its present condition without requiring you to make any repairs. If the Property you are selling is a residence with one to four units, your broker also has a duty to conduct a reasonably competent and diligent visual inspection of the accessible areas and to disclose to a buyer all adverse material facts that the inspection reveals. If your broker discovers something that could indicate a problem, your broker must advise the buyer.

B. Statutory Duties: (For one-to-four Residential Units):

- (1) You must timely prepare and deliver to the buyer, among other things, a Real Estate Transfer Disclosure Statement ("TDS"), and a Natural Hazard Disclosure Statement ("NHD"). You have a legal obligation to honestly and completely fill out the TDS form in its entirety. (Many local entities or organizations have their own supplement to the TDS that you may also be asked to complete.) The NHD is a statement indicating whether your Property is in certain designated flood, fire or earthquake/seismic hazard zones. Third-party professional companies can help you with this task.
(2) Depending upon the age and type of construction of your Property, you may also be required to provide and, in certain cases you can receive limited legal protection by providing, the buyer with booklets titled "The Homeowners Guide to Earthquake Safety," "The Commercial Property Owner's Guide to Earthquake Safety," "Protect Your Family From Lead in Your Home" and "Environmental Hazards: A Guide For Homeowners and Buyers." Some of these booklets may be packaged together for your convenience. The earthquake guides ask you to answer specific questions about your Property's structure and preparedness for an earthquake. If you are required to supply the booklet about lead, you will also be required to disclose to the buyer any known lead-based paint and lead-based paint hazards on a separate form. The environmental hazards guide informs the buyer of common environmental hazards that may be found in properties.
(3) If you know that your property is: (i) located within one mile of a former military ordnance location; or (ii) in or affected by a zone or district allowing manufacturing, commercial or airport use, you must disclose this to the buyer. You are also required to make a good faith effort to obtain and deliver to the buyer a disclosure notice from the appropriate local agency(ies) about any special tax levied on your Property pursuant to the Mello-Roos Community Facilities Act.
(4) If the TDS, NHD, or lead, military ordnance, commercial zone or Mello-Roos disclosures are provided to a buyer after you accept that buyer's offer, the buyer will have 3 days after delivery (or 5 days if mailed) to terminate the offer, which is why it is extremely important to complete these disclosures as soon as possible. There are certain exemptions from these statutory requirements. However, if you have actual knowledge of any of these items, you may still be required to make a disclosure as the items can be considered material facts.

C. Death and Other Disclosures: Many buyers consider death on real property to be a material fact in the purchase of property. In some situations, it is advisable to disclose that a death occurred or the manner of death. However, California Civil Code Section 1710.2 provides that you have no disclosure duty "where the death has occurred more than three years prior to the date the transferee offers to purchase, lease, or rent the real property, or [regardless of the date of occurrence] that an occupant of that property was afflicted with, or died from, Human T-Lymphotropic Virus Type III/Lymphadenopathy-Associated Virus." This law does not "immunize an owner or his or her agent from making an intentional misrepresentation in response to a direct inquiry from a transferee or a prospective transferee of real property, concerning deaths on the real property."

D. Condominiums and Other Common Interest Subdivisions: If the Property is a condominium, townhouse, or other property in a common interest subdivision, you must provide to the buyer copies of the governing documents, the most recent financial statements distributed, and other documents required by law or contract. If you do not have a current version of these documents, you can request them from the management of your homeowners' association. To avoid delays, you are encouraged to obtain these documents as soon as possible, even if you have not yet entered into a purchase agreement to sell your Property.

SA-11 REVISED 10/01 (PAGE 1 OF 2)

SELLER'S ADVISORY (SA-11 PAGE 1 OF 2)

Property Address: _____ Date: _____

3. CONTRACT TERMS AND LEGAL REQUIREMENTS:

- A. Contract Terms and Conditions:** A buyer may request, as part of the contract for the sale of your Property, that you pay for repairs to the Property and other items. Your decision on whether or not to comply with a buyer's requests may affect your ability to sell your Property at a specified price.
- B. Withholding Taxes:** Under federal and California tax laws, a buyer is required to withhold a portion of the purchase price from your sale proceeds for tax purposes unless you sign an affidavit of non-foreign status and California residency, or some other exemption applies and is documented.
- C. Prohibition Against Discrimination:** Discriminatory conduct in the sale of real property against individuals belonging to legally protected classes is a violation of the law.
- D. Government Retrofit Standards:** Unless exempt, you must comply with government retrofit standards, including, but not limited to, installing operable smoke detectors, bracing water heaters, and providing the buyer with corresponding written statements of compliance. Some city and county governments may impose additional retrofit standards, including, but not limited to, installing low-flow toilets and showerheads, gas shut-off valves, tempered glass, and barriers around swimming pools and spas. You should consult with the appropriate governmental agencies, inspectors, and other professionals to determine the retrofit standards for your Property, the extent to which your Property complies with such standards, and the costs, if any, of compliance.
- E. Legal, Tax and Other Implications:** Selling your Property may have legal, tax, insurance, title or other implications. You should consult an appropriate professional for advice on these matters.

4. MARKETING CONSIDERATIONS:

- A. Pre-Sale Considerations:** You should consider doing what you can to prepare your Property for sale, such as correcting any defects or other problems. Many people are not aware of defects in or problems with their own Property. One way to make yourself aware is to obtain professional home inspections prior to sale, both generally, and for wood destroying pests and organisms, such as termites. By doing this, you then have an opportunity to make repairs before your Property is offered for sale, which may enhance its marketability. Keep in mind, however, that any problems revealed by such inspection reports should be disclosed to the buyer (see "Disclosures" in paragraph 2 above). This is true even if the buyer gets his/her own inspections covering the same area. Obtaining inspection reports may also assist you during contract negotiations with the buyer. For example, if a pest control report has both a primary and secondary recommendation for clearance, you may want to specify in the purchase agreement those recommendations, if any, for which you are going to pay.
- B. Post-Sale Protections:** It is often helpful to provide the buyer with, among other things, a home protection/warranty plan for the Property. These plans will generally cover problems, not deemed to be pre-existing, that occur after your sale is completed. In the event something does go wrong after the sale, and it is covered by the plan, the buyer may be able to resolve the concern by contacting the home protection company.
- C. Safety Precautions:** Advertising and marketing your Property for sale, including, but not limited to, holding open houses, placing a key safe/lockbox, erecting FOR SALE signs, and disseminating photographs, video-tapes, and virtual tours of the premises, may jeopardize your personal safety and that of your Property. You are strongly encouraged to maintain insurance, and to take any and all possible precautions and safeguards to protect yourself, other occupants, visitors, your Property, and your belongings, including cash, jewelry, drugs, firearms and other valuables located on the Property against injury, theft, loss, vandalism, damage, and other harm.
- D. Expenses:** You are advised that you, not the Broker, are responsible for the fees and costs, if any, to comply with your duties and obligations to the buyer of your Property.
